

**FCB29 U Sofa Bed Frame Set**

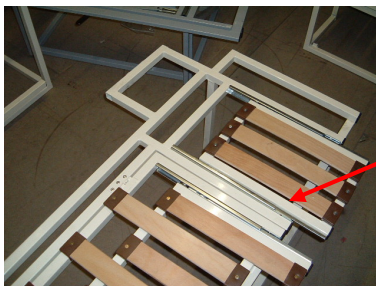

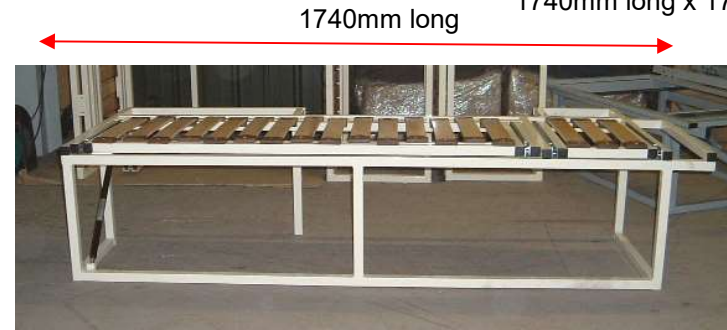

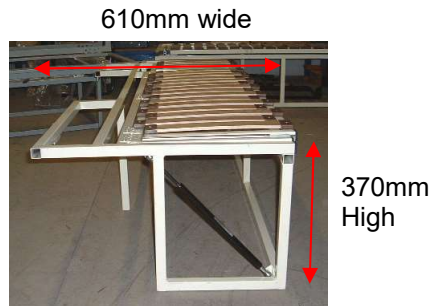

Configuration 1 – 2 side

Configuration 2 – U shaped

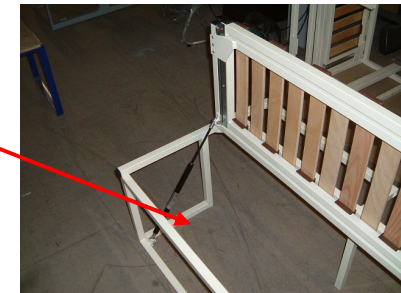

Configuration 3 – large double bed  
1740mm long x 1720m wide

Strong sliding mechanisms mounted vertically for extra strength and durability.

Gas strut to assist storage compartment lid lift, mounted to also hold the lid down when in the closed position.

Strong steel tube construction, powder coated to finish.

Robust twin sliding mechanisms for each sliding section.

Slatted seating area gives greater comfort and better cushion ventilation.

Available as standard in 2 widths (610 & 635mm) and 2 heights (370 & 405mm).

Custom dimensions can also be catered for.
